Sentosa Golf Club raised over S\$100,000 for Assisi Hospice

Singapore, 28 April 2015 – As part of Sentosa Golf Club's 40th anniversary celebration, a total of S\$133,813 was raised for Assisi Hospice. The week-long anniversary activities held in November 2014 included a charity golf fun day, "Birthday" BBQ dinner and a series of novelty events. The events not only celebrated this Club milestone, but also garnered good support for the Hospice. A non-obligatory pledge of \$40 was also collected from each member and this was matched dollar-for-dollar by the Club.

Sentosa Golf Club is glad to support Assisi Hospice in their provision of palliative care, and is also grateful to Club members for their generosity in making this possible.

The cheque was presented to Assisi Hospice's Chief Executive Officer A/Prof Premarani Kannusamy by Moses Lee, Chairman of Sentosa Development Corporation at a ceremony held at the Club today.
