Unveiling its first standalone lifestyle and entertainment precinct, the Shangri-La Group is set to redefine leisure and entertainment experiences with the opening of The Palawan @ Sentosa on 26 July.

The new 183,000-square-foot destination will feature eight distinct experiences with various new-to-Singapore leisure activities for visitors of all ages. These include HyperDrive, an electric go-kart circuit with gamification features that immerse drivers into the world of real-life racing and virtual gaming around a three-level racetrack, and UltraGolf, an 18-hole mini golf course designed for everyone to put their putting skills to test.

Visitors will also be able to indulge in the inviting ambience of two new beach clubs – Splash Tribe, a family-oriented beach club with a sandcastle-themed wet-play zone and an infinity pool, and +Twelve, a terraced beach club boasting 12 cabanas with private plunge pools and a main pool with swim-up bar for indulgent relaxation. Both beach clubs will offer a creative line-up of food and beverage selections.

For more culinary choices, The Palawan Food Trucks provide a unique beach-side dining experience with 10 iconic food trucks serving up comfort food and reimagined classics of different cuisines. In addition to the precinct’s diverse dining offerings, visitors can look forward to the opening of Blu Kouzina @ Palawan Beach, which serves Mediterranean seafood cuisine.
