### Discover the thrill of the grill at Sentosa GrillFest 2024

*Four weekends of culinary adventures and exclusive GrillFest dishes await*

**SINGAPORE, 23 OCTOBER 2024** – Sentosa GrillFest is set to return for its seventh sizzling edition, transforming Siloso Beach into a gastronomic haven from 5.00pm to 10.00pm on festival days between 14 November to 8 December 2024. Organised by Sentosa Development Corporation (SDC), the beachfront grilling festival will showcase over 30 vendors and four distinct zones, welcoming food enthusiasts to a sizzling symphony of flavours and fun under the stars.

This year's edition promises to be the most exciting yet, adding to Sentosa's position as Singapore's premier nighttime destination, offering an unparalleled blend of culinary innovation, entertainment, and beachfront ambience.

#### **A Feast for the Senses**

With 33 participating vendors, including the winners of the People's Choice Award from Sentosa GrillFest 2023, this year's GrillFest aims to serve up a variety of mouth-watering grilled delicacies from smoked meats, flame-kissed vegetables, to grilled desserts and seafood and more.

In accompaniment to the unique beachfront dining experience, visitors can enjoy a multitude of live entertainment by local artists including funk rock band Reverie and cover band Too Much Drama, and performances by fire dancers from Starlight Alchemy. Over at the Show Arena, guests can have a go at the jumbo sized single-player beer pong to win free Chang Beer or discounted drinks from the Invaders Bar.

### **Experience the Thrill of the Grill**

Entry to GrillFest is free throughout the duration of the festival, with food payable separately.

As part of SDC's sustainability efforts, guests are encouraged to do their part in reducing waste by bringing their own containers and utensils. Compostable-ware for food and beverages including utensils will be used to minimise waste generated and ease the waste segregation efforts. Plastic bottled beverages will not be available for sale and drinking water fountains can be found along the entire stretch of Siloso Beach. Additionally, waste disposal stations will be available throughout the festival ground, each includes food waste bins, recyclable bins, and general waste bins to encourage guests for waste segregation. Collected food waste and used compostable-ware will be converted to soil compost.

To ensure an inviting and inclusive festival for everyone to enjoy, 20 per cent of tables and seats along Siloso Beach Walk have been designated as “Priority Seating”. These specially marked tables are intended to cater to guests with mobility impairments, providing them with easier access and a more comfortable experience. SDC encourages festivalgoers to offer their table to such guests, if so requested. Additionally, flooring will be installed to further enable guests of different mobility to access the food stalls and seatings located on the beachfront. Guests with accessibility needs can also download the [access guide](#) for more details on getting to Siloso Beach.
