ZoukOut 2015 at Sentosa

Plan your way to and around the island to avoid heavy traffic

7 December 2015, Singapore: ZoukOut 2015, Singapore's annual dance festival, will be held at Sentosa's Siloso Beach on – Friday, 11 December (8pm to 6am) and Saturday, 12 December (8pm to 8.30am).

As vehicular traffic volume is expected to be higher than usual, and with limited parking lots available on the island, party revellers and guests visiting Sentosa are encouraged to enter the island by public transport and use Sentosa's network of island transportation during this period.

Use Public Transport and Connect to Sentosa's Island Transportation

Guests are advised to take the Mass Rapid Transit (MRT) or public buses to HarbourFront MRT Station. From there, they can connect to the Sentosa Express monorail located on Level 3 of VivoCity (next to Food Republic) and alight at Beach Station. The Island Admission charge of \$4.00 is applicable per person for the Sentosa Express. Guests can tap and go with their EZ-Link cards. The Sentosa Express operates from 7.00am to 12 midnight.

Alternatively, visitors can board Sentosa's shuttle buses from the HarbourFront Bus Interchange, between 6pm and 1am, to go to the Beach Station. There will be an Island Admission charge of \$2 per person for the shuttle bus service.

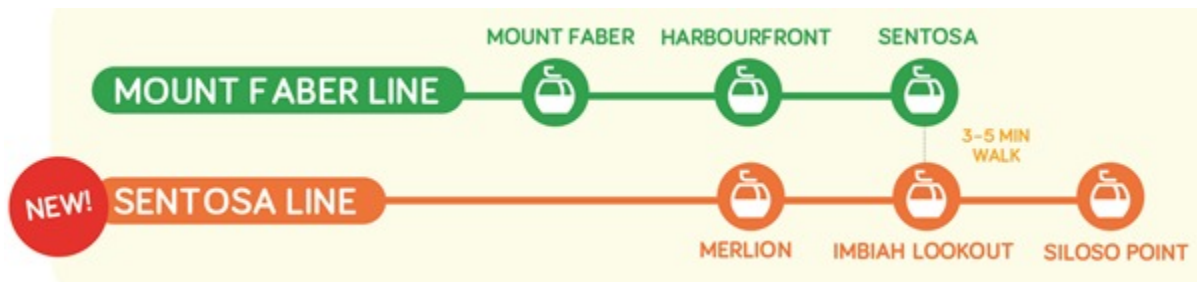

Free Entry via Sentosa Boardwalk

Guests can also choose to take a stroll in via the Sentosa Boardwalk. In celebration of SG50, Island Admission via the Sentosa Boardwalk is free till 31 December 2015.

Experience a Scenic Sky Ride to Siloso Beach.

With the launch of the Singapore Cable Car Sky Network and opening of a new Sentosa cable car line this year, guests now have an additional option to conveniently access Siloso beach by hopping on the Mount Faber cable car line from Harbourfront Centre to Sentosa. They can then get on the Sentosa Line at the Merlion Station for a scenic joyride to Siloso Point station. Guests who wish to ride on both the Mount Faber and Sentosa lines are able to buy the Cable Car Sky Pass at \$29 (Standard price) or \$19 (Local price). Alternatively, they can purchase the Sentosa Line ticket for \$13 (Standard price) or \$9 (Local price) and start their ride from the Merlion Station to the Siloso Point Station. The Singapore Cable Car Sky Network operates from 8.45am to 10pm (Last boarding at 9.30pm).

However, the normal charge of a flat drive-in rate of \$3 will apply for vehicles entering the island after 5pm on Saturday, 12 December.

Parking Rates at Beach Carpark

A parking charge of \$1 or \$2 per entry will apply between 5.01pm and 10pm, and an additional surcharge¹ of \$15 per entry will apply between 10.01pm till 7.59am at Beach Carpark. The usual parking charge applies outside of the stipulated event hours.
