### It's Mums' turn to have fun at Sentosa!

- Mums can play and dine for free across Sentosa throughout the month of May
- Pen down your love and gratitude for mum to form Singapore's Largest Mural of Scrolls

**Singapore, 2 May 2017** – It's mums' turn to have fun this May as Sentosa – *The State of Fun* celebrates Mother's Day with a slew of exclusive treats and activities dedicated to the special lady in our lives!

Apart from playing and dining for free\* at Sentosa's various attractions, hotels and dining establishments, mums will also have Singapore's Largest Mural of Scrolls<sup>1</sup> dedicated to them in this month. Measuring some 6.0-metre x 1.8-metre, the special wall located at Beach Plaza will allow guests to pen their love and tributes for their mothers on a special scroll in the lead up to Mother's Day, with each handwritten scroll contributing to the record-setting attempt.

There's more! Mums can also look out for other free and special treats while on the island, including roving masseuses for relaxation, bouquets to delight and even caricaturists to bring on smiles.

"Mother's Day is a special occasion where children celebrate the greatness of mums worldwide. Being an all-in destination for play, fun and dining, Sentosa makes this occasion a memorable one for our guests by allowing children of all ages to do something special for their mums. Not only will guests be able to contribute to a new Singapore record by penning their tributes to their mums, the series of exciting promotions and events lined up for Mother's Day across the month of May also makes Sentosa the perfect venue for family bonding during this special month," said Ms Lynette Ang, Chief Marketing Officer at Sentosa Development Corporation.

#### **SINGAPORE'S LARGEST MURAL OF SCROLLS**

From today, express your gratitude for your mother and contribute to the record setting feat for Singapore's Largest Mural of Scrolls!

With a target of garnering more than 3,400 messages by Mother's Day, booths will be set up at Beach Plaza between 11.00am and 7.30pm daily for guests to pen their love scrolls, which they will be able to bring home and present as keepsakes for their mothers. Carbon copies of the scrolls will be placed on the 6.0-metre x 1.8-metre multi-coloured mural, making it a unique photo point for guests.

---

<sup>1</sup> Sentosa Development Corporation will attempt to set the record for Singapore's Largest Mural of Scrolls from today till 21 May.
