Part of the Easter Fiesta, the Great Egg-Venture will see you flying to and from Mount Faber, across the HarbourFront and onto Sentosa Island, in search of 100 giant eggs! Measuring 1.8 metres by 1 metre, these are no ordinary eggs in a basket! Hand painted by the local community specially selected through an egg design competition, these unique giant eggs will showcase the artist's unique interpretations through their perspective of our nation celebrating its 50th birthday.

There will also be 50 SG50 commemorative eggs decorated by local, regional artists and professionals who have been successful in their own field that will be up for auction in support of charity.
