Singapore, 2 June 2017 – Families, youths and friends: get set for a MEGA good time this June holidays at *Sentosa - The State of Fun*, with an exciting line-up of larger-than-life mega inflatables and installations on its beachfront, as well as returning crowd favourites such as movies by the beach, the iconic *Merlion Magic Lights* showcase, and mega deals across the island to keep everyone entertained from day to night. Best of all, many of these MEGA Fun activities will be free!

Kick off the fun at Palawan Beach, which will be transformed into an outdoor playground of mega inflatables and installations. With free admission to the ***Mega Inflatables Playground***, guests can look forward to plenty of bouncing and sliding down giant inflatables including Singapore's largest inflatable slide which measures 10m in height (three storeys), diving into a mega ball pool with more than 200,000 balls², wandering through an inflatable maze, as well as challenging themselves on the traversing wall and balancing beam while having loads of water-oriented fun.

"The June School Holidays is a great opportunity for families to take a break from their hectic routines and have some fun together. MEGA Fun at Sentosa promises to create happy and memorable moments with family and friends. Our diverse line-up of activities will transform Sentosa into an all-in-one MEGA playground with multi-sensory fun and entertainment brought to a bigger, brighter, and cheekier level. MEGA Fun is suitable for families with children of all ages, youths and groups of friends to experience the Sentosa brand of Fun," said Ms Lynette Ang, Chief Marketing Officer at Sentosa Development Corporation.

MEGA FUN experiences and memories, from dawn to dusk

Playing Big will take on a literal meaning in Sentosa. Apart from the outdoor ***Mega Inflatables Playground*** at Palawan Beach, families and kids can also head to the iconic ***Palawan Pirate Ship***, where gushing fountains, splashing water, slides and a pirate-head which sends buckets of water downwards at regular intervals will thrill everyone.

For photo buffs, exercise your creativity with ***upsized photo props***, including two-metre tall giant deck chairs and mega pinwheels on Palawan Beach, and be the envy of your social media friends with these unique backdrops.

When night falls, be entertained by the dazzling ***Merlion Magic Lights!*** show. The iconic and ever-popular light and music show returns this June with a newly curated June holiday-themed showcase.

¹ The triple slide at Mega Fun at Sentosa measures 50m by 30m and 10m high, compared to the current Singapore Record which measured 33m by 8m and 8m high. This event's mega ball pool will be 11m by 11m filled with more than 200,000 balls, vis-à-vis the current record of 8m by 8m filled with 100,000 balls.

² The 200,000 balls will be progressively added by 18 June 2017.

Be sure to catch it daily from 2 June to 9 July, starting at 7.45pm, with 30-minute show intervals until 9.15pm. Two additional shows will be held on weekends, eve of public holidays and public holidays.

Alternatively, choose to round off your day at *The State of Fun* with **movie nights** on Palawan Green. Back by popular demand, a series of family-friendly blockbusters will be featured from Thursdays to Sundays between 8 and 25 June, starting from 7.30pm.

From 12 June to 2 July, the Singapore Cable Car will also feature a special escape game in collaboration with The Escape Artist. Taking the escape game outdoors, participants will have to race against time and solve challenging puzzles against the stunning backdrop of Sentosa Island, while traversing the on-island Sentosa Line.

Mega Deals for Mega Savings

This June will also see mega deals that give you maximum fun for your buck. Dads can celebrate Fathers' Day with special promotions at various attractions such as *KidZania Singapore*, where they can enjoy quality time bonding with their kids.

Children will also find dining delights with exclusive menus and special discounts just for them. With over 120 dining options in *The State of Fun*, everyone is sure to find something to delight their palette.

Exploration FUN across Sentosa

Learning and having fun need not be mutually exclusive as Sentosa offers plenty of other fun adventures on the island.

Guests can begin their island exploration at Fort Siloso, Singapore's only preserved coastal fort, through the Fort Siloso Skywalk, a treetop trail set 11 storeys above ground. With a newly revamped *Surrender Chambers* that opens for free admission on 8 June, explorers can immerse in an experiential journey through history, guided by light and sound effects through the six interactive zones.

Families can also check out *Sentosa Nature Discovery*, where they can embark on a hands-on journey of discovery teeming with birds, insects, other wildlife and plants in all manner of different habitats. Don't forget to check out the free performance at *Animal & Bird Encounter* where our exotic parrots, mischievous macaques and majestic birds-of-prey delight with tricks and antics.
