Enterprise Singapore, Sentosa Development Corporation and Singapore Tourism Board team up with industry to encourage locals to rediscover Singapore

SingapoRediscover campaign is part of \$45 million effort to spur local consumption of lifestyle and tourism offerings

Singapore, 22 July 2020 – Enterprise Singapore (ESG), Sentosa Development Corporation (SDC) and Singapore Tourism Board (STB) announced the launch of **SingapoRediscover**, a campaign that supports local lifestyle and tourism business and encourages Singaporeans and residents to explore different sides of Singapore. The agencies have set aside **\$45 million** for the campaign and its supporting marketing initiatives. Through a wide range of partnerships with lifestyle and tourism businesses, business associations, community groups, and e-commerce platforms, the campaign will offer unique and value-for-money experiences, packages and promotions for locals.

This is the largest campaign introduced in Singapore to drive local demand, and the first since Step Out Singapore after SARS in 2003, and BOOST (Building on Opportunities to Strengthen Tourism) in 2009 after the Global Financial Crisis. SingapoRediscover stems from the work of the Tourism Recovery Action Taskforce¹, which was launched in February 2020 in response to the COVID-19 pandemic.

The campaign focuses on three broad areas:

- (I) Partnering local communities to help locals discover hidden gems;
- (II) Curating precinct itineraries to create authentic experiences for locals; and
- (III) Collaborating with hotels, tour operators, attractions and precincts to develop quality experiences and attractive promotions. Precincts will be packaged as mini-holiday destinations, where locals can embark on a **Singapoliday** to enjoy the many experiences and promotions within.

¹ The Tourism Recovery Action Task Force (TRAC) involves leaders from different segments of the tourism industry, comprising government agencies, industry associations, and tourism business owners.

JOINT MEDIA RELEASE

The campaign will be supported by other existing initiatives to drive local demand for our businesses, such as the **Marketing Partnership Programme**² and the **SG Stories Content Fund**³.

STB Chief Executive Keith Tan said: “COVID-19 has had a severe impact on many sectors of our economy, and it will take time for consumer confidence and international travel to recover. We will need a collective effort by the Government, community and industry stakeholders, and all Singaporeans, to sustain and support great local businesses. With SingapoRediscover, we have collaborated with various partners to create value for consumers through engaging content, quality experiences and attractive promotions. Through this campaign, we hope that Singaporeans will gain fresh perspectives, and take a short holiday – or a Singapoliday – to rediscover their own country and help support local businesses.”

ESG Deputy Chief Executive Officer Ted Tan said: “We recognise the challenges that many of our local F&B and retail businesses face, even as the economy gradually reopens. Aside from the targeted measures rolled out earlier to help these sectors address immediate needs, we hope that they can create new revenue streams and encourage increased consumer spending through exciting promotional programmes. We will be working closely with industry partners to maximise our efforts and reach. We call for consumers to rediscover what our food and retail outlets are offering, be it in your own neighbourhood or in precincts further away.”

“As one of the key leisure destinations in Singapore, we believe Sentosa is in a good position to stimulate the tourism sector’s recovery. With our diverse array of unique leisure experiences all in one place, Sentosa is the perfect island getaway for locals looking for a holiday,” said SDC Chief Executive Officer Thien Kwee Eng. She added: “We have been heartened by the good base of locals who have been showing their support to businesses in Sentosa. Through SingapoRediscover, we will build on our island charm and unique

³ The SG Stories Content Fund supports content creators, including tourism businesses, in the development of stories on strength, resilience, solidarity and unity in Singapore.

value proposition to encourage locals to rediscover Sentosa, while helping businesses rebound from the effects of the pandemic.”

(I) Partnering local communities to help locals discover hidden gems

To inspire locals to rediscover a different side of Singapore through authentic content and insider tips, the campaign will tap on the expertise of community groups and interest groups. They will help develop campaign content around three themes – **rediscover local secrets**, **rediscover family time** and **rediscover culture**. For instance, photographers such as **Chia Aik Beng** (@aikbengchia) will be the campaign’s lead curator for the photography community, while **Mindy Tan** (@mindytanphoto) and **Yafiq Yusman** (@yafiqyusman) will spearhead a ground-up movement to capture the familiar sights of Singapore through a fresh lens, using the hashtag #SingapoRediscover. Locals are also encouraged to use the same hashtag for their content.

(II) Curating precinct itineraries to create authentic experiences for locals

Locals can also rediscover the heartlands through curated tours conducted by the **Federation of Merchants’ Associations, Singapore, Heartland Enterprise Centre Singapore** and the **Society of Tourist Guides (Singapore)**, which will offer new experiences through local favourites or new sights through undiscovered trails. This will be complemented by a **Jalan Jalan: Your Good Hoods Guide initiative**, to promote local neighbourhoods through guidebooks, with curated gastronomic, shopping, entertainment, and arts destinations that allow locals to experience a new side of their familiar neighbourhoods.

SDC has also teamed up with its Island Partners to curate attractively-priced Singapoliday staycation packages featuring itineraries themed around Island Life, Heritage Discovery, Wellness Escape, and Nature Adventure, to be rolled out from the end of this month. Please see [Annex A](#) for more information. Locals will also be able to discover a different side of Sentosa through unique back-of-house tours that showcase Sentosa’s island charm. To be launched in the coming months, these tours will offer guests insights into the workings of Sentosa’s attractions, learn about the stories behind the island’s flora and fauna, or partake in masterclasses, among other experiences. Sentosa’s island admission

fees will be waived until 30 September 2020 to encourage locals to enjoy the array of unique leisure experiences on Sentosa.

(III) Developing quality experiences and attractive promotions

Attractive promotions and unique experiences from Retail, F&B, Hotels, Tours, Attractions and Precincts

To encourage more local support, the campaign features value-for-money promotions and quality experiences across various sectors and partners. Businesses and associations such as the **Singapore Retailers Association**, **Singapore Hotel Association**, **Association of Singapore Attractions** and **Chinatown Business Association** will rally members to collaborate on marketing and promotions. The offers will be housed on the VisitSingapore app and the newly-launched SingapoRediscovered microsite⁴. Please see [Annex B](#) for more information.

For a start, around **40** businesses have come on board to offer some **80** promotions, including attractions, tours, and hotel stays. These include cross-sector tie-ups between hotels and tour operators such as **lyf Funan Singapore with Tribe Tours and Fullerton Hotel with Singapore Sidecars**, as well as attractions and F&B/retail vouchers and products available in the **National Day Parade (NDP) Singapore Together Pack**. The NDP Singapore Together Pack will also include two years' Sentosa Islander membership for the price of one, and a Sentosa Fun Pass loaded with 20 free tokens which can be used to redeem various offerings on the island.

Apart from scoring great value through these promotions, consumers can enjoy upcoming virtual events such as the **Singapore Food Festival**⁵ in August, the **eGSS: Shop.Win.Experience**⁶ in September, and **Singapoliday** offers from Q4 2020.

⁴ <https://www.visitsingapore.com/singaporediscovered>

⁵ More information about the Singapore Food Festival will be shared on 28 July.

⁶ For the eGSS Campaign jointly organised by Singapore Retailers Association, Singapore Furniture Industries Council, Textile and Fashion Federation and Association of Singapore Attractions, these promotions will be housed on GoSpree web browser, alongside the SingapoRediscovered microsite and VisitSingapore app.

JOINT MEDIA RELEASE

Starting from August, various F&B campaigns and promotions will be launched to drive footfall and attract more diners to outlets in different parts of the island. Industry partners, including the **Restaurant Association of Singapore**, **Singapore Cocktail Bar Association** and **#savefnbsg**, will embark on a nationwide campaign #Hi5SG to restore the vibrant gastronomic scene and support local communities. Under the campaign, participating merchants will offer special perks and privileges linked to the number '5', a play on the 5-pax dining rule, for either dine-in or delivery islandwide. They will match \$1 donations given by customers which will go to =DREAMS, a programme for underprivileged children. In addition, ESG has partnered **Chope** to run targeted campaigns including driving off-peak deals, for local F&B outlets over the next few months. More offers and promotions will be available in the next few months. Please see [Annex C](#) for more information.

Sentosa's promotions and unique experiences

Under SingapoRediscovered, Sentosa, one of Singapore's key leisure destinations, is set to welcome locals with a range of new, authentic and attractively-priced experiences. Whether it is to indulge in hearty meals, discover fun things to do, or enjoy a staycation on the island, locals will be spoilt for choice with an array of Fun Deals. Available with immediate effect, Sentosa's range of Fun Deals include one-for-one F&B and attraction promotions, as well as a free night's hotel stay with every two nights booked with participating Island Partners (tenants). Please see [Annex D](#) for more information.

Marketing partnerships with e-commerce platforms and online travel agencies

To encourage more bookings and purchases, key channel partners have come on board SingapoRediscovered. For instance, **Changi Airport Group (CAG)** and **Singapore Airlines (SIA)** are teaming up with STB on joint marketing campaigns to drive awareness of local brands - CAG will expand their portfolio of local brands on iShopChangi from next month, while SIA will soon offer Design Orchard⁷ brands on KrisShop. **Trip.com Group** - a key partner that STB is working closely with – also recently organised a live webcast for locals, promoting flexible hotel reservations at discounted rates. They will work with STB on other initiatives for overseas visitors later.

⁷ Design Orchard is an integrated retail and incubation space dedicated to growing local brands and designers. The retail showcase on the ground floor houses around 60 home-grown brands.

JOINT MEDIA RELEASE

To encourage bookings for hotels, attractions and tours, STB and **Expedia** are embarking on a global marketing partnership. These offers will be for locals first, and will eventually be extended to overseas visitors and include flight promotions. STB is also partnering **Klook** to create engaging content, and develop new and interesting products and promotions for locals. Both partnerships kick off in September.

As a nine-month campaign, SingapoRediscovers will ramp up progressively with more experiences and content to be announced over the next few months. Businesses are encouraged to come on board and collaborate for a steady pipeline of promotions and products to attract consumers.
